Other Involvement & Goals

Briefly describe your involvement with other trade associations, professional organizations, civic and community activities and other accomplishments:

Outside of the real estate industry, I lend my time and talents to an organization called Charity Chics. Charity Chics was founded on the premise of being a network of professional women combining philanthropy and a splash of fun.

What goals do you hope to accomplish, if you are elected to serve?

If elected to serve the goal I hope to accomplish would be to do not only a good job but the right job. It's not always easy to do the right thing but by serving our members, listening to their wants and needs, and understanding the goals and strategic plan for our association – I hope to guide GTR and its members into a successful and rewarding future.
