

Josephine "JO" Easton has been a Licensed Realtor in Florida for over 41 years. She is a Proven Leader, Member Driven and Community focused. She volunteers locally as well as holding many positions Local, State and National. Her agenda is a simple one, help her peers by mentoring and guiding and encouraging them to take as many educational classes as possible. She has been president of this Board (GTR) as well as a small Board/Association and State President of RRC/CRS, WCR Tampa President and she has always pushed to do what is best for all the members. We all win when we help one another by sharing what we have learned Local, State and National.

She continues to work on and with Affordable Housing as well as keep up with Legislation not only for our Profession but also for issues that affect our everyday lives. She really enjoys helping on the Governmental Affairs, Professional Educational and Global Committees Local (GTR) and FR State. She says we have to keep up with the changes and her goals are to make sure that every member knows all the benefits that are here for them. The Association has helped many receive their designations and certifications. The more we know and learn the easier it is to help everyone. Plus it is a great feeling when mentoring and helping others achieve their goals.

She is a RPAC Major Investor because she believes in our Profession. We make a difference and she will help to continue to work for all of us to keep an eye on how the issues and legislation affects all of us and continue to share that information

She has a servant's heart and anyone that knows her knows if you ask for something and she can help she will do it, if she can't she can usually tell you who to call and get it done.

She has the leadership skills, experience, business knowledge and loves helping others. Given the opportunity she will help to take our membership and Association to the next level. Her goals are to always be on the cutting edge and to help all members do that. She takes advantage of all technology and educational programs at our Local, State and National Associations. She hopes she can count on your vote so your voice will be heard. Her door and phone is always available to help.
