

Dynamic. Passionate. Selfless. These are just a few of the words that have been used to describe Marie by her peers, mentors, and customers. She is well-liked, disciplined, organized, and a resourceful and intelligent business professional. With a strong passion for her clients, volunteering, advocacy, and the belief that personal and professional development should be at the forefront of the real estate industry she serves her profession and the public with ferocity and enthusiasm.

Marie recently celebrated her 6th year selling real estate in Tampa Bay and now has over 14 years in the industry. She is actively involved in the REALTOR® organization at the local, state, and national levels volunteering both her time and talents in various capacities—earning a few accolades along the way including; Women’s Council of REALTORS® Florida District Vice President, Florida REALTORS® Committee Member serving on several committees, Florida REALTORS® District 6 Leadership Institute Chair, and she is a Sterling R RPAC Major Investor for the 3<sup>rd</sup> year in a row.

Marie is never too busy for her clients' real estate needs so in 2020 after a strategic move joining Tomlin St Cyr Real Estate Services she expanded her personal team with a buyer's agent and transaction coordinator ensuring that she could continue following her passion and sharing her gifts. She brings vision to her work, can handle the most challenging situations while remaining heedful of the needs and direction of others, and will spend quality time building rapport with her peers, other leaders, and those with authority over her.

As one to never be complacent, she looks to continue to give back and grow her leadership skills by serving as a GTR Director this coming term.

On a personal note, Marie is married to the love of her life, Nick. They own a home in South Tampa with a fenced back yard for the their dog, Sir Archer Guinness, a Dorgi (Dachshund and Corgi mix who is a cuddle monster, that loves carrots, and has a sworn duty to protect the home from squirrels and the Amazon delivery guy. Marie enjoys traveling, reading, cooking, and all things Major-League Baseball.
