

ROGER D. VERSZYLA

After Roger was Honorably discharged for his 3 years' time spend in the US Army, he then went off to college to get his degree and was offered an opportunity to spend the next 45 years working for major contractors as a business manager that cause him to locate from working in Algeria to the North slopes of Alaska and many places in-between his assignments. His responsibilities included the managing of the financial affairs of those companies, from recruiting, purchasing, OSHA compliance, contract administration, client negotiations and held accountable for every dollar spent on those projects.

Approximately 20 years ago, Roger decided to get his Real Estate and Community Association licenses and has kept them active but did not work the licenses until his retirement. Since his retirement, he has been active with his involvement GTAR and various committees. His Real Estate career has primary been focus in the management of properties, rentals, and some sales. For the last 6 years he held a seat, vice-chair, and chair on the Hillsborough County Code Enforcement Board and currently the Hillsborough County West End Code Enforcement Magistrate. Also, for the last 6 years he has and still holds the positions as President of Bayport West Home-owners Association and President of the Tampa Bay Dance Club which is a Senior Dance club.

Roger is a thinker and does not just jump to conclusions. He extracts all the information necessary to make and informed decision and opinion. He uses the skills that has been precipitated by his experience and extensive career in the Heavy construction industry. His background and leadership have been incredibly positive for the companies he was employed with and his wisdom has changed many procedures utilized by those companies in the performance of there contracts.

Based on his experience, he will be an asset to any organization.

Roger is not a "GOOD OLD BOY"
