Yes, thank you :)

I faxed the paperwork to your office this morning, you should have it on your desk waiting for your signature when you go there tomorrow.

Please let me know how and when to start, is there a desk space for me at your office that you want me to work from?

I would love to be able to come to the office a few hours everyday so I learn a few things, but I am very flexible in hours.

Thank you Tina.....

How exciting!

Let me know when you get everything and I will have Mary process it.

I'll be in office all day tomorrow as well.

Just call me or stop by.

Thanks,

Tina

Good morning Tina/ Mary;

I talked to Doug in regards to transferring my license from Florida Executive Realty. He wished me luck and said, "somehow I knew from the beginning that you belonged to commercial division...!!"
I am excited and look forward to start working with you guys. Pat gave me a paperwork to complete and sign and I guess it also requires your signature (I will fax it to you in a bit), as soon as I get it back from you I will send it to her and I think that finalizes the employment!

Thank you for giving me a new home :)
